

ETOWAH VALLEY HISTORICAL SOCIETY

WINTER NEWSLETTER 1980-81

The winter meeting of our Society will be held at 3 P.M. Saturday, January 31 at Munford House. The featured speaker will be Mrs. Jennie Tate Anderson of Marietta. Mrs. Anderson is a well known conservationist, preservationist and garden enthusiast. Her subject will be "The Great Houses of England", a topic in which she is particularly well versed, she having spent several months in the British Isles studying these magnificent homes. We are very fortunate in being able to obtain her for this meeting. A social hour will follow the regular meeting.
