

**NEWSLETTER ETOWAH VALLEY HISTORICAL SOCIETY**  
**SUMMER July 1985**

Our own Pat Mansfield was the star of the TV Skylark News directly from Cartersville, via Channell II Alive on the 15th of July. Pat was hostess at Wofford-Hall-White House on this special occasion and she looked as pretty as the flowers, ferns and hanging baskets placed around for the event.

Items have been added to the Gift Shop and members and friends of the Society are reminded that wedding as well as holiday gifts may be found n the shop.

Our president, Mrs. Harvey Howell, has been in Ohio for a prolonged stay with two beloved members of her family who have been on the disabled list for sometime. Mrs. Howell will remain with her dear ones as long as her love and care is needed.

So many members of the Society have enjoyed foreign travel during the past few months and we at home are delighted that their trips were made minus mishaps in the air or on the high seas.

Mrs. J. L. Summey had to slow down for a few days--calling a sudden stop to her many activities-while she recovered from a severe illness. We understand she is back in harness now and is feeling much like herself again.

Grandparents have enjoyed visits from their grandchildren this Summer, some of them coming from great distances. It is a toss-up as to just who had the most fun during these special visits from the little people! There are still more arrivals for visits before this long hot summer comes to an end. More amusing tales to tell around the cook-outs and other enjoyable get togethers, that make for an interesting summer.
